

# Winsome Woman

**The Winsome Woman series offers strategies and encouragement to become a woman whose beauty of the soul radiates in all you do.**

“Winsome” is an old-fashioned word which means generally pleasing and engaging that captures the essence of the Christian woman. Whatever role we serve in life—career woman, spouse, parent superwoman, free spirit—Christ expects us to represent Him well, and attract other people to Him.

Women tend to wear many hats. Like the two sisters who were friends with Jesus, we each have Martha and Mary moments. Like Martha we may be enterprising, busy, and efficient. Like Mary, we find time to sit at the Master’s feet. We can function better if we know whether we’re a natural “Mary or a Martha.” We can expand our witness to others by understanding how to minister to those around us.

The Bible says, “...a woman who fears the Lord is to be praised” (Proverbs 31:30.) This fear of the Lord is the foundation for being winsome. You will learn:

- To become gracious
- To become mature
- To become productive
- To pass on your Christian values whatever your role in life.

Prior to the workshop, every person needs to have purchased and completed the Temperament Profile. The Temperament Profile is available at [www.ChristianValuesLegacy.com/Temperament](http://www.ChristianValuesLegacy.com/Temperament). There is also an option there for participants to have an individual telephone session with Millie to review the results of their Temperament Profile.

The Winsome Woman Seminar Series is available as a weekend seminar, teleseminars or as separate 90-minute breakout sessions:

- Mary or Martha: You can relax and be who God designed you to be.
- Goodness Gracious: You can rise above the situations around you.
- Mature Doesn’t Equal Old: You can grow up at any age.
- Production Line: You can confidently be about your Father’s business.
- Making Friends for Jesus: You can share your faith with assurance.
